

BELLA FIGURA

Bond Street Oval Chandelier

CL122-OVAL-200

Collection Name

MAYFAIR COLLECTION

This captivating chandelier defies convention with its Lucite rods in varying lengths and diameters. Although taking its name from a street that dates back to Ancient Roman times, this piece is entirely modern within its design. Similar to the street itself, the Bond Street Oval chandelier represents luxury and opulence and is also available in a rectangular and round version to suit your preference
