

Antique Mirror 1

AM001

Collection Name

VINTAGE COLLECTION

Truly a one-of-a-kind, this exceptional mirror traces its roots to Italy, in circa 1760, where it was hand carved and gilded in either Florence or Rome. Due to the age, size and quality of the piece, our experts believe that this mirror was made for a major Italian palazzo. At over 250 years old, the gilded frame has been masterfully cleaned, partially re-gilded and the mirror glass has been replaced with a new, high quality distressed plate.
