

Antique Mirror 3

AM003

Collection Name

VINTAGE COLLECTION

Over 300 years old, this French mirror from circa 1710, is currently the oldest in the Vintage range. Despite its age, it is in wonderful condition and has been expertly cleaned with a minimal amount of new gilding. The hand carving of the frame is spectacular, and this extremely rare mirror is of museum quality. The mirror plate has been replaced with a new, high quality distressed glass plate as the authentic mercury plate had degraded too far over the centuries.
