

# BELLA FIGURA

## Cascade Wall Light

**WL854**

Collection Name

**NEW PRODUCTS COLLECTION**

This wall light is a stunning embodiment of a cascading waterfall, stylistically represented with embossed lines which undulate back and forth depicting the unpredictable flow of water. Designed using LED technology, this allows for a linear light distribution and slim construction for compact spaces which call for big stylistic impact.

Required modifications for use on yachts - lacquer applied to all metal components and double screw fastenings.
