## Curzon Street Drum Chandelier

### CL121-LED

Collection Name  
**MAYFAIR COLLECTION**

Ideal for rooms with lower ceilings, this drum chandelier combines the uniform Lucite structure of the Curzon Street chandelier with the cross brace from the Bond Street design to achieve an elegant, contemporary form perfect for any setting. Available in our core metal finishes, this new chandelier makes a beautiful addition to the Mayfair collection. Finish note: Due to the nature of our hand made product our finishes can vary from piece to piece. Please be aware studio lighting can affect tone of metals and alter material appearance slightly. For more details, speak to your sales advisor who may be able to organise sampling upon request.
