## Garda Oval Chandelier

**CL458-O**

Collection Name

**RETRO MURANO COLLECTION**

Inspired by the crystal clear waters of Lake Garda in Italy, this new elegant shape is an oval version of the popular Garda chandelier. This design incorporates a large metal band, and a curved glass filled centre which features dozens of pear-shaped glass drops that have been crafted by hand. When lit this alluring chandelier creates a stunning glow throughout each glass drop. Designed with dining spaces in mind. Please note proportions will differ to the custom chandelier shown here.

*Finish note: we only offer the main body of the chandelier in non polished finishes; brushed dark bronze, matt nickel and matt gold. The 'thin decorative bands' are available in both brushed and polished finishes should you wish for contrasting finishes.*
