## Crest Lamp

TL238

Collection Name

**HALCYON COLLECTION**

All the drama and energy of surging seas; crashing and whirling waves, frozen in their capricious path. A theatrical storm has been skillfully manipulated from molten glass, suspending this animated force of nature within a tempestuous capsule, each design in its fluid form.

Required modifications for use on yachts - lacquer applied to all metal components, "sea rod" through centre to secure base to surfaces, with the cable exit through bottom of the base.
