## Eyre Lamp

TL235

Collection Name

**HALCYON COLLECTION**

Indigenously known as Kati-Thanda, Lake Eyre is usually cinder dry, the lakebed blanketed by a patchwork of tessellating salt segments, as reflected by the scalloped surface of our Eyre table lamp. Of the 5 new colourways, Blush Pink is of particular note - an emulation of the natural phenomenon which takes place when the lake is flooded, bringing a flourish of salt-loving algae and halobacterium who turn the waters a brilliant pink. **IMPORTANT NOTE** - Clear and blush pink glass finished are currently only available in singles.
