## Ice Chandelier One Tier

**CL800**

Collection Name  
**VEGA COLLECTION**

The Ice chandelier is a reinvention of one of our classics, the Icicle chandelier, which returns, quite literally, with a twist. The glass pendants themselves have been entirely remodelled and now these stalactite-esque droplets are suspended in swirling layers which install a sense of stillness and calm. This chandelier won its place in our Vega collection as its whirling form reminds us of vast rolling galaxies.

The dimensions of the central supporting rod and ceiling rose are not included in the height measurements  
The standard rod and ceiling rose is 50cm (20") high if not otherwise specified by the customer  
This design can be made in custom sizes

Please Note: Our chandeliers are not supplied with ceiling hooks. The ceiling rose, chain and rod specification will differ dependent on the weight of the chandelier. A qualified electrician must assess your ceiling structure and advise on the right fitting.
