BELLA FIGURA

Nilssen Table Lamp

TL212

Collection Name
MOONLIGHT COLLECTION

Although this series of designs has totally evolved, the roots of the design are centred around the work of silversmith Wiwen Nilssen. Considering the corners and facets of his tableware creations, we have softened the geometry of Nilssen's iconic design language and arrived at these stacking glass elements, infusing their cores with richly bubbled detailing which glitter brilliantly when illuminated.

TL212 Nilssen in Brushed Nickel with a 12" Oval Shade in James Hare 31519/09
