## Parchment Wall Light

**WL130**

Collection Name

**MOONLIGHT COLLECTION**

The Parchment series brings us all the pomp and splendour of an Art Deco theatre hall with its cascading form, which emits a cosy, warming glow. The golden tones and rectilinear style of this ceiling light transports us back to The Roaring Twenties with an uncomplicated look which has stood the test of time; the parchment panels convey an essence of the classic Tiffany lighting designs with a monochromatic update to the styling. This design may be minimalistic, but its boldness will still demand the limelight.

Required modifications for use on yachts - lacquer applied to all metal components, and parchment panels replaced with frosted Lucite.
