Pimlico Chandelier

CL108

Collection Name

MAYFAIR COLLECTION

The latest addition to join our Mayfair collection, the Pimlico chandelier is inspired by brutalist designs from the 1970s. This stylish design is a more structured take on our very popular Battersea chandelier. It is constructed from a straight cut series of either clear or frosted Lucite rods with brass tubes which can be finished in either a stippled gold or stippled bronze finish to offer a more distressed look to the design. This chandelier is finished with a frosted diffuser and a central base.
