## Ruffle Wall Light Large

**WL207-LA**

Collection Name

**MOONLIGHT COLLECTION**

Echoing the design language of the ceiling lights, we offer two wall light styles to complement our *Ruffle* collection. A single backlit plate from our large chandelier offers a petite wall adornment which can be grouped in flowing sequences or is beautiful individually. As with the ceiling light, the gently scrunched glass is organically formed and each piece is unique.
