BELLA FIGURA

Venus Table Lamp

TL814

Collection Name
VEGA COLLECTION

Goddess of love and beauty, Venus encompasses femininity and will bring a graceful presence to your interior setting. This refined sculpture is honed from solid Italian glass and embellished with brass fixings. We offer Venus in clear glass for a gentler aura or a satin finish which echoes the glowing presence of her namesake planet, the brightest object in our night sky beyond the Moon, a true object of desire.
