## Glacier Wall Light

WL376

Collection Name

**HALCYON COLLECTION**

The Contour Collection favourites, Arctic and Glacier have made a comeback this year bringing with them a new addition, Foss, as they form a triptych of wall pendants. Foss, meaning waterfall, is representative of rushing white water, hundreds of bubbles trapped within an effervescent glass dome. All three glass designs are available with brushed nickel, brushed gold or brushed dark bronze detailing and can be ordered with or without a stylish dolly switch, perfect for bedside placement.
