

# BELLA FIGURA

## Marina Wall Light

WL63

Collection Name

**HALCYON COLLECTION**

Soaring high and gazing down upon the marinas of the world consistently reveals a design of systematic order. Sea-faring vessels harboured side by side in organised rows and a complete absence of chaos. As daylight falls there is a spectral glow upon the water in this scene, distorted and diffused. The two fundamentals of the Marina range: clean lines and an atmospheric, misted glow.

WL63 in frosted glass and satin brass tubes

### Available Finishes

#### Metal Finishes

Satin Nickel

Satin Brass

#### Glass colours

Satin

### Available Sizes

#### One size only
